

THE PURPLE BEAR

CHECK THE SPECIALS BOARD FOR TODAY'S FRESH BBQ

Years working in bars - and even longer visiting them - made us want to do it ourselves, focusing on everything we love about this industry: **Great drinks, tasty food and BBQ.**

With that in mind, **we cook low and slow BBQ everyday.** To keep our quality the highest, we make limited amounts. So when it's gone, it's gone... 'til the next day!

Want to see what we have? **Check out the boards at either side of the bar** or ask one of us, we're the most approachable type of bear.*

*Please don't approach wild bears asking for specials.

Before placing your order, please inform your server if a person in your party has a food allergy.
